INNOVATING STORAGE FOR CARE

Engineered &  
Manufactured  
in the U.S.

The ultimate in Endoscope drying systems is now available! SureDry Scope Cabinets feature an external HEPA filtered positive pressure drying system. Dri-Scope Aid® is the industry leading internal lumen drying system. This combination provides facilities with the assurance that they will be able to meet all current and anticipated future guidelines for external and internal drying of endoscopes, providing their patients the best possible assurance of infection prevention.

# DRI-SCOPE INTERNAL LUMEN DRYING SYSTEM W/TRACKER

**SureDry**  
SCOPE CABINETS with

**Dri-Scope Aid®**  
**TRACKER**

## TRACKER FEATURES & BENEFITS

- Digital display maintains a list of scopes by drying status, with displays of scope processing times
- Intelligent automated scheduler continuously processes scopes as long as they remain checked into the system
- Includes default or customizable settings and drying options unique to each endoscope
- Scope tracker maintains records of scope drying events, user access, check-ins and check-outs
- Color touch screen access by authorized personnel is completed by passcode, with adjustable session timeout settings and options for passcode retrieval if forgotten
- Various adjustable timing options controlled through the color touchscreen including drying, pre-drying and venting time settings, hang time limits, endoscope removal/load delay timing, etc
- At a glance, display shows scope inventory and reprocessing status including the time until scope expiration requiring further reprocessing
- Slot display order settings displayed on the status screen per user preferences
- Configurable replacement times for tubing and pump filter, with overdue warnings/indicator lights
- Downloadable export files available for endoscope management, user lists and more

The Dri-Scope Aid® Cabinet supplies HEPA-filtered air to all internal channels to aid in drying endoscopes with an automated drying cycle for improved turn-around time, and a continuous venting cycle for overnight storage. The Dri-Scope Aid® system in the SureDry Scope Cabinets provides a complete drying system for your facility.

### Customizable Hang Time Monitor

Adjust the number of days your scopes hang. You will be alerted when a scope is about to expire
