

Health o meter®

P r o f e s s i o n a l

✓ **Easy to Use**

Smooth sliding headpiece and telescoping rod allows the user to quickly and easily read the height measurement.

✓ **Durable Construction**

Aluminum height rod withstands frequent use. Rigorous laboratory tests showed that the Health o meter® Professional PROPLUSROD lasts 2 ½ times longer than similar models.

✓ **Large Measurement Range**

The 2" / 6cm – 90" / 230cm measuring range provides height readings for a wide range of patients.
