PRODUCT INFORMATION
SKIRT AUXILIARY HANGER

The Skirt Auxiliary Hanger is a versatile solution designed to securely store skirts on lead apron storage racks. This adapter easily mounts to the rack using the included tool, allowing for quick and secure installation.

Designed for convenience, the hanging adapter adds extra storage space to keep your workspace neat and organized. Its durable construction ensures long-lasting performance, making it an ideal choice for medical and industrial environments. The Skirt Auxiliary Hanger is a practical solution to enhance your storage capabilities with ease.

SPECIFICATION

BRAND: Phillips Safety

PRODUCT TYPE: Apron Rack Adapter
