### REAL PEOPLE REAL SUPPORT

NO ROBOTS.  
NO RUNAROUND.  
JUST REAL HELP.

The simpleABI-250 manual system is the perfect solution for budget-conscious practices seeking a reliable and easy-to-use tool for basic PAD screening. This portable system utilizes high-quality Doppler technology and manual cuff inflation to provide accurate and consistent ABI measurements. Its affordability and portability make it an ideal choice for small practices, mobile clinics, or any setting with limited space or resources.

It's backed by the simpleABI 2-year warranty that **covers everything** from parts to labor, with no hidden fees or diagnostic charges.
