

Security Glove Box Holder - #305307

Omnimed Security Glove Box Holders are constructed of durable stainless steel and spot welded for a sleek, easy to care for finish. The side panel has flat key lock security to control user access. These holders are ideal in medical, lab and food prep areas or any environment where cross contamination can occur or protective gloves are needed. They accommodate all single glove box sizes and can be mounted vertically or horizontally. This unit includes a 5 year warranty.
