

PEDIATRIC CART

9 Multi-Color Drawers

RC33333336PED

DETECTO's Rescue series Pediatric cart is designed for use with the proven clinical methodology for treating life-threatening emergencies in pediatric patients. When seconds count, the color-coded drawers enable doctors and clinicians to quickly identify critical supplies while responding to pediatric emergencies.

Contents are secured with individual plastic seals for each specific drawer or a keyed lock which provides immediate access to all drawers and emergency supplies.

DETECTO Rescue Series Pediatric Medical Cart with Push Handle and User-Friendly Design

DETECTO's Rescue series pediatric carts come in 9 multi-colored drawers using the Broselow® color-coding method and have 5-inch diameter wheels which feature two parking locks and one steering lock. Rescue carts are manufactured from quality steel cart body construction that is powder-coat painted for durability with ABS countertops that are easy to clean. ABS bumpers protect all four corners of the medical carts. The push handle offers a user-friendly design.
