

AXEL PATIENT SIMULATOR

LIMITED PRODUCT WARRANTY

Nasco Healthcare, Inc. (“**We**”, “**Us**”, or “**Our**”) extends the following limited warranty (“**Warranty**”) to the first purchaser that is also the end-user (“**You**” or “**Your**”) of a new AXEL patient simulator (“**AXEL**”). You may not assign or transfer this Warranty without Our prior written consent. NOTE THAT ALL ONLINE OR SOFTWARE-RELATED FUNCTIONALITY AND FEATURES OF AXEL (INCLUDING COMPUTERIZED SIMULATION FUNCTIONALITY) IS PROVIDED BY A THIRD-PARTY SOFTWARE VENDOR AND IS SUBJECT TO SEPARATE SOFTWARE TERMS AND CONDITIONS WITH SUCH THIRD-PARTY SOFTWARE VENDOR, AS FURTHER DESCRIBED AND SET FORTH BELOW.

AXEL’S COMPONENTS:

Subject to the exclusions and limitations set forth in this Warranty, We warrant to You that AXEL’s components, parts and hardware (each an “**AXEL Component**” and collectively the “**AXEL Components**”), excluding any and all software or other online services and functionality, will be free from defects in material and workmanship, under normal use and service, for five (5) years from the date of purchase; provided, however, the following AXEL Components are covered for one (1) year from the date of purchase: silicone airways, airflow sensors, non-user replaceable batteries (e.g., SmartScope™ and Manikin), and SmartScope™ charging cables.

In the event of a defect in the workmanship or materials of an AXEL Component, We will, at Our option, repair or replace the defective AXEL Component. However, if We determine that it is not commercially feasible to repair or replace a defective AXEL Component, We may refund the original price paid by You for Your AXEL. Replacement parts may include refurbished AXEL parts or products that have been certified by Us to conform with the applicable product specifications. THIS PARAGRAPH CONTAINS YOUR SOLE AND EXCLUSIVE REMEDIES FOR ANY AXEL COMPONENT DEFECT OR NONCONFORMITY.

If You purchased an AXEL and have a valid claim for replacement of the AXEL or AXEL Component, We will ship a replacement AXEL or AXEL Component to You within 24 to 48 hours after We determine Your return authorization (“RA”) request is valid and acceptable, excluding weekends and holidays. Return of Your original AXEL or AXEL Component is not required until You receive the replacement. We may require a valid credit card number to ship Your replacement. As part of Our returns process, You will receive an email notifying You when Your replacement order has been placed and another email notifying You when Your replacement has shipped.
