

WHEELCHAIRS

STEEL TRANSPORT CHAIR

The Everest & Jennings Transport Chair is designed as an affordable patient transfer device. Its compact size and lighter weight allow a companion to lift and store the chair with ease.

Features:

- Available in 17" and 19" seat widths
- Steel frame in hammertone silvervein finish
- Fold-down back makes transport and storage easy
- Black padded nylon upholstery is flame retardant
- Carry straps on seat allow for ease of lifting and folding
- Full length padded arms provide user comfort
- Tool-free, adjustable, detachable swingaway footrests
- Black padded nylon 3" leg strap standard. Velcro adjustable loops slide over installed footrests
- Attendant wheel locks on both rear casters for better control and access by companion
- One year limited warranty
