

ROLLATORS

WALKABOUT STEEL KNOCK DOWN ROLLATOR

The Lumex Walkabout Steel Knock Down Rollator offers a comfortable, traditionally designed, value priced solution to mobility for someone looking for an easy to use walking aid. The frame is made of a highly durable steel with 6" easy to maneuver casters. The Walkabout quickly and easily folds into a compact unit for storage and transport.

Features

- Ergonomic hand grips make them easy to grip
- Adjustable handle height to accommodate broad range of user heights
- Durable construction steel frame
- Easy to operate locking and "quick stop" loop brakes (pull up to stop; push down to lock)
- Padded seat for added comfort
- Removable, hinged, padded backrest can be folded up and down
- 6" casters for ease of maneuverability
- Pouch included for storage of personal items
- Designed to meet the requirements of HCPCS codes: E0143 & E01056
- Three (3) year limited warranty
