REF 30-1053

Inflatable Exercise Ball Accessory, 2-Way Hand Pump

Instructions for Use

Key Features:

- Use to inflate inflatable products by hand
- Two-way pump adds air every time you push or pull the hand pump
- Universal nozzle fits most air valves

How to Use

1. Insert the pump nozzle snugly into the air valve of your inflatable product
2. Pull back and push on the pump handle to add air
